

Conceptualize • Visualize • Move Things Forward

Karen Ijichi Perkins

QUALIFICATIONS

Karen has a wide range of experience working with a variety of groups as a group leader, graphic recorder, facilitator, technical advisor, and team member for business planning, work flow analysis, marketing, training, and project management. Clients include a range of organizations: State and county health agencies, community health centers, private health plans, and non-profit community organizations. In each role, she demonstrates an understanding of group dynamics, change management, and communication processes. She has effectively applied these concepts and principles to assist clients in developing goals and objectives, formulating advocacy and policy strategies, and producing complex work products.
